STOLE A MARCH

Frank Huff Surprises His Many Friends Here

Mr. Frank B. Huff the popular manager of the Atlas Lumber Company's yard here, surprised his many friends last Sunday, when he arrived home from the Spokane fair with a winsome bride, Miss Lola E. Herbert, of Malden, Wisconsin.

Mrs. Huff took on all the serious side of life without giving us the slightest warning, but he is forgiven, and congratulated, and also Mr. Huff. Appended below is an account of the wedding, from the columns of the Bowman County (N. D.) Pioneer.

We might interpolate, that after the wedding, the happy couple took the train to St. Maries, Idaho, thence by boat to Coeur d'Alene, and to Spokane where they visited the State fair.

Huff-Herbert
At Malden, Washington, on Wednesday, Oct. 2, 1912, Mr. Frank Huff of Carlstadt, Canada, and Miss Lola E. Herbert of Malden, were united in marriage. After a short wedding trip through the west they will resettle on the home of the groom in Carlstadt.

Both of the young people are well known to us here, the groom having been one of the first homesteaders.

Monday of this week was again a bumper for business in this growing burg. Hundred of homesteaders were in town, and many loads of grain were delivered at the elevator and warehouses. A car shortage is already in evidence, but a certain amount of relief in this respect was experienced before the end of the week. To accommodate the homesteaders in town one hotelman had to place cots in his dining hall.

in this section and still owns a quarter section northwest of town, while the bride is a daughter of Mr. Herbert, formerly of Buffalo Springs and a sister of Mrs. Waterhouse, who formerly resided at Serranito. For some time Miss Herbert had charge of the telephone exchange at Serranito and was highly thought of by the people of that place.

While Mr. Huff and Miss Herbert resided in this part of the world it was generally understood that they would some day become Mr. and Mrs. Huff, but when Frank Huff and the young lady were thought of by the people of that place.

We join with the many friends of the happy couple in wishing them joy and happiness.

CHINATOWN CHARR'D

Carlstadt's Chinese Laundry Burned Down

On Friday night or early Saturday morning Chinatown's Chinatown was wiped off the map, and the spot thus designated is a charred remnant. The lonely inhabitant of the district, Long Pin, be whatever his name was, escaped death from the burning building, but as he could not enter the door, he was only a smoldering of English, and claims that "some one play trick on me."

The fire was of mysterious origin. The celestial was sleeping alone in the structure, and claims that when he awoke, the smoke was so dense he could not see the door. He has only a smoldering of English, and claims that "some one play trick on me."

He got out in the cold night air, and made for the nearest neighbor's residence. F. Jordan, Baskin, M. Stahfield and A. B. Baskin attempted to quench the flames but there was nothing to do. The frame structure burned like oil. The excited celestial was just to bed in the Carlstadt hotel where some of his compatriots work. On Saturday night he was sent to the flat. A. Mar Shale's Hot Springs is said to have been owner of the building. It is also said that it carried insurance but this cannot be verified. Corporal Corry is investigating the affair.

"One more trail closed" as the old model remarked, when her gentleman friend got married. A Sir Wilfrid Laurier's trip through Ontario, where he met his Waterloo a year ago, has been one series of spontaneous demonstrations in his honor. The sunny smile and the white plume of the old chief. That's the reason.

A lady, whose acquaintance we esteem very highly, sent us in some cheering words last week in a letter, that we will always treasure. She states that she looks forward to Thursday for the arrival of our paper. "It's a fine newsy paper," she adds.

The Carlstadt News has a great field in the future of this town. Last week Calvin Goss whose plant we have been using for publication up to date, returned from a trip to the Pacific Coast and stated his intention of returning to journalism in Sunny Alberta. He graciously allowed us to continue the use of his equipment until we could secure a plant of our own.

On Friday last with the assistance of Ben A. Huchell of the Toronto Type Foundry, we selected a complete and expensive plant suitable to the needs of Carlstadt.

Mr. Ketchum is about this week packing and plant for shipment to Carlstadt, so possibly next week we will get our readers in a new dress. The plant will be the largest between Medicine Hat and Calgary, and as moving a weighty concern is no light job we will not make rash promises, but beg the indulgence of our subscribers.

THE GRAIN GROWER'S GRAIN COMPANY, AN ORGANIZATION WHICH RENDERS EFFECTIVE SERVICE IN THE MARKETING OF GRAIN.

During the last six years the grain growers of the prairie provinces have supported their own company until it is now by far the largest commission house in Canada. The Grain Grower's Grain Company handles all consigned grain on commission, or will buy grain on track in car lots. Its chief business is to sell the farmers grain on commission and to get for the farmer the very best price the market can afford.

It now numbers in its ranks thirteen thousand farmers. The company's record in the past is one of which every farmer may be proud. The future looks brighter than ever.

In shipping your grain to The Grain Grower's Grain Company you get the highest value for your grain under existing marketing conditions. All the profits made by The Grain Grower's Grain Company are returned to the thirteen thousand shareholders in the form of dividends, or used to improve conditions for the grain growers generally.

The Grain Grower's Grain Company is the most powerful factor in the country today in the improvement of market conditions.

A very popular product in the homes of this Province is "Alberta's Best Baking Powder." It is manufactured in Calgary and has a very large sale throughout almost every portion of the West. It is absolutely pure—perfectly uniform—made from high grade materials throughout. It is sold on "money back guarantee." That is, if the purchaser is not satisfied he is at liberty to return the can to his grocer and receive his money back. "Alberta's Best" should be used by every housewife in the province. Not alone because it is an Alberta product, but because of its general superior excellence.

The list of subscribers to the Car-
lstadt News in the United States is
growing by leaps and bounds. Last
week 10 more names were added to
the list. Our circulation lists are open
to the public's inspection.

In your stock of letter heads, state-
ments or envelopes is printed: Have
your stock replenished. Our job
department does neat and artistic
work—The Carlstadt News.

The Carlstadt News wishes this
week to extend congratulations to
our friend, Leonard D. Nesbitt,
Editor of the Brooks Bulletin, whose
marriage to a. Langton lady is
announced for this week.

Have you sent in the blank of
your long distance friend to whom
a copy of this paper has been sent.
The announcement of this will
be made next week. Remember it
is anyone to whom a single copy
of the Carlstadt News has been
mailed, not necessarily a subscriber.

There are several parties float-
ing the purchase of the Thomas
Swanby Hardware Store. One
gentleman from Wisconsin, is par-
ticularly anxious to secure posses-
sion of this valuable store and prop-
erty.

W. E. Mustard of Hoskin is in
town to-day, and was a visitor to
the News office. He joined the
Honor roll of subscribers to this
paper. Mr. Mustard farmed 100
acres this year and had very success-
ful crops.

At the monthly evening in the
Methodist Church at 7:30. The
discourse will be on "The self—its
fearfulness and why?" A most
valuable invitation is extended to
everybody. Come, and bring a
friend. P. E. Cusdill, Pastor.

While the News for a few weeks
will not be able to give the names
of every purchaser, it is informed
that registrations are being made,
whereby one of the largest, most
heretofore will change hands at an
early date. It's a great big deal
and will be one more step in Car-
lstadt's advancement.

Big Land Deal On

It is reported, a block of about
400,000 acres of land just west of
Carlstadt, will go on the market at
\$35 per acre to try and \$50 an acre
if irrigated, in it's raw state this
booming spring.

Confidence as to value of this
district for farming is being es-
tablished. The successful growth
of alfalfa both for feed and seed is
largely responsible for the intrusive
value of the land.

Public Improvements

To the editor of The News—
What a contract is let in this
town, is there any time limit to
when it must be carried out im-
posed by the town fathers? This
smart patch at which the daywalk is
being built in the "Hink".

Jottings

Thanksgiving day draws nearer.
Two weeks from Monday is the
date.

The first snow of the season
hurried here Tuesday. Now for
equinox summer.

P. F. Rowatt has just completed
up a new water system at his place.
It's a stoned up system.

H. J. Sycamore returned Tuesday
from a business trip of several days
in the Hat and at Barons.

Millie Askew has been spending
several days at Barons, and at the
former home near Minnich.

The Duke of Connaught still con-
tinues his electric-lighted be-
spangled tour of the great West.

The Carlstadt orchestra furnished
the music for a most enjoyable dance
in Suffield, Wednesday evening.

B. F. Hanson bought some fancy
stock from our Bon Tom farmer,
Wm. Hendry, paying about \$70.00
per head.

My visit with Geo. B. Heston in
the Hat the other day. He is mak-
ing that his headquarters during
"collection time" for the L.H.C.

Frank Flannery last week pur-
chased the house and lot in the
south of the town, belonging to J.
J. Davis. The property passed for a
good figure.

Carlstadt is well represented in
the Barons-Monarch district, there
being a large number there to help
with the threshing which is later
than here.

Oliver Frisley and Hattie Hanson,
who live 7 miles north of Carlstadt
have sent four teams to Suffield to
do general hauling work for the next
few months.

Elmer England is knocking two
valuable athletes little for W. O.
Scollard and Armstrong & Son.
Those are the results to date of this
season's chase.

Robert Anderson has the contract
for a large amount of sign painting
with the Atlas Lumber Co., and left
this week for the first job, north of
Calgary.

VANCOUVER'S WELCOME

TO THEIR ROYAL HIGHNESSES THE
DUKE AND DUCHESS OF
CONNAUGHT

The following poem was written for the
Vancouver World on the occasion of the
recent visit of the viceroyalty party to
that city.

Hail to thee, loved envoy of our King,
And hail, my lady, worthy of all praise,
Accept the long-loyal people's love,
Who wish you happiness and length of
days,
And that peaceful rule in this fair
land.

May long continue, while we rise and
stand
Greatest of Slaves in an Empire Great,
Strongest of links in the Imperial chain,
A Daughter, but a Mother of states,
Whose former struggles have not been in
vain.

The fairest city of the Western host
Has done us loyal for holiday status,
And other generations yet to come,
Shall thank our loyalty, our soul admire,
For we come not with empty words of
praise!

Our love is known for those of other days,
Who were our leaders, for, with them
we stand
True to the British flag and British throne,
True to our own ideals and the good
Of the Mother Empire and our own.

You're not bold a march triumphant thro'
the West,
From the green shores of Old Ontario,
Through all the Province, but here this
day.

And catch the melting odes and flow
Of ocean breezes, while the jump and air
Of busy mariners, and commerce everywhere
Tells of an empire in the making, stand
Here upon our honest shore and wave
The signs of Progress that shall make
our land
The thriving Mecca of the West.

Three noblest Dukes and Duchesses of
Connaught,
Accept our sincerest tribute of respect,
Our loyalty is but a humble gift,
We come to you with loyalty and flame,
We stand from hence, loyalty and flame,
And loyal subjects, standing right by side
With those born to the purple and
whose rights
We share so freely and shall ever share,
And shall defend our country, as the
Knights
Of Arthur's table did nobly do and dare.
